

IDW 2017

2017

The 10th International Desalination Workshop

co-located with Asia Pacific Desalination Association (APDA) conference

IDW

Date : Nov. 22(Wed) ~ 24(Fri), 2017

Venue : BEXCO, Busan, Korea

Themes in General

- Chemicals of Emerging Concern
- Electrochemical Processes
- Forward Osmosis
- High Efficiency Device & Equipment
- Intake Technology
- Mass Transport Processes
- Membrane Distillation
- Membrane Fabrication
- Membrane Fouling Control
- New Materials & Nanotechnology
- Pretreatment & Brine Management
- PRO Process
- Renewable Energy Desalination
- Reverse Osmosis Process
- Water Reuse
